Jonathan,

Hope you are well. We are working on adding prerecorded messages to the trolley, I believe in the past you mentioned you have a similar system for your Iowa tour app or you were working on something like that.

Was curious if I could pick your brain about implementing on trolleys, or if you had any advise or contacts I could speak with about blue tooth nodes etc.

Thank you,

[San Pedro Property Owners' Alliance](#)

Joe Pielago
Tourism and Operations Manager
